

**Amendments to the Specification**

One page 1, please amend the title of the invention as follows:

COMPUTER SYSTEM FOR ~~INPUTTING~~ OPTICAL SCANNING, STORAGE,  
ORGANIZATION, AUTHENTICATION AND ELECTRONIC TRANSMITTING AND  
RECEIVING OF MEDICAL RECORDS AND PATIENT INFORMATION, AND OTHER  
SENSITIVE LEGAL DOCUMENTS.

**Remarks**

The above changes to the title of the invention more accurately describe the invention. Please note that the phrase “and other sensitive legal documents” was part of the original title of the Invention within the original application and specification. The applicant wishes to include this phrase to denote that there are many other uses for the device outside of just medical applications.
